

Creditinfo Academy Webinar Speaker

Date: Thursday, 30th October 2014

Time: 15h00 Central European Summer Time (CEST)

Location: Webex

Topic: The Gold Mine Juniors

Speaker: Iavor Raytchev, Chief Technical Officer, Creditinfo Solutions s.r.o.

Iavor grew up on the crossroads of engineering, diplomacy and law, which defined his professional path. He graduated a gymnasium specializing in Mathematics and Physics and a University specializing in Macroeconomics.

Entrepreneurial, Iavor spends time between founding and selling, starting up and turning around technology companies. Iavor's specialty is the transfer of business goals into technology goals, re-aligning technology with business and executing. Iavor has participated in the creation of more than a dozen of technology start-ups and has served as CTO at world #1s such as Emporis.com (the #1 provider of building data and construction projects worldwide) and the WestLicht Photographica Auction (the #1 auction for collectors photographic cameras ahead of Christies and Sotheby's).

Iavor believes that anything done by people can be done better. In his free time Iavor tries to spend as much time with his family as possible, reads extensively primary sources with focus on XX century literature and plays piano.
